**Comments:**

3/27/2000 - Letter sent stating transfer is denied: 1) Mammoth Mining Co, is not the transferor (it is Grand Central Silver Mines); 2) transfer only shows 1.4 acres - Grand Central states there is much more acreage than that. A SITE INSPECTION IS PLANNED FOR 4/6 & 4/7 TO DETERMINE ACREAGE; 3) legal description is not accurate; 4) before mining disturbance is released, it must be approved by DOGM as an acceptable post mining land use with Public Safety & Welfare considered. If the issue cannot be reasonably resolved, then a formal enforcement action may be required.

3/17/2000 - Received detailed information regarding the Mammoth Mine and the Eureka/Sunbeam/West Mammoth exploration project (E/023/033) from Grand Central Siler Mines, Inc. Aerial photos included - the latest one dated 8/6/98.
